

FOOD SHORTAGE IN GERMANY

By Telegram to The Freeman.
Washington, Nov. 26.—Germany's food situation is grave and her population faces a winter of privation and suffering. Authentic reports to officials here today showed that Germany's supplies of fats are being rapidly depleted and that the scarcity in certain essential foods may force a cut in the rations for troops as well as civilians.

Fats have been placed almost entirely under governmental control and rigid measures have been taken to conserve the present stocks and are not offered for sale except at prohibitive prices. A great shortage in all parts of the German Empire of such articles as meat, butter, milk and cheese is reported. The milk rations of the children of Berlin, which some weeks ago was reported as greatly increased, are now being cut one third. The butter allowance for each person has been limited to one ounce a week. Eggs are very scarce and sell for eight cents each. Practically all foodstuffs show a shrinkage. The only exception is the potato crop. A fairly good crop of potatoes is reported, but it will not equal the production two years ago. Germans virtually have abandoned coffee and tea, having adopted a new substitute for the latter in the form of dried peelings of apples and pears.

RUSSIAN PEACE PROPOSAL RECEIVED

By Telegram to The Freeman.
Washington, Nov. 26.—The proposals of the Bolshevik government of Russia for a three-months' armistice on all fronts, during which to arrange a world peace conference, were being "considered" by the United States government today.

The proposals, which were handed to Ambassador Francis early last week, were forwarded to the state department by way of Stockholm. The document has been laid before President Wilson by Secretary of State Lansing. Beyond saying that the proposals were "being considered," Secretary Lansing would not discuss the Bolshevik note today. It is accepted as certain by diplomatic Washington that there will be no reply to the armistice proposal. To reject the proposal through a diplomatic note would be to recognize the Bolsheviks as forming a de facto Russian government.

The state department is not likely to take this step. The text of the Bolshevik note does not differ from that published in press dispatches from Petrograd last week, Secretary Lansing said today.

BOMB KILLS ELEVEN.

Italians Who Know Are Afraid to Tell the Police.

By Telegram to The Freeman.
Milwaukee, Wis., Nov. 26.—Their lips apparently sealed by terror, residents of the Italian quarter of Milwaukee today are withholding from the police any information they may have that would afford a clue to the origin of the bomb which killed eleven persons in the Central Police Station Saturday night.

More than thirty Italians from the Bayview district have been quizzed by the police but none of them would shed any light on the mystery.

Two rumors are being circulated persistently here concerning the origin of the bomb. One is that it was brought to Milwaukee by Chicago anarchists who plan similar outrages in other cities. The other is that the bomb was placed in the Evangelical Lutheran Church as a part of an alien conspiracy.

More Fool Drivers.

A collision was narrowly averted this morning at the corner of Wall and John streets. A touring car was coming up Wall street and turned into John street just as a commercial car was turning from John street into Wall street. Both cars turned the corner at a reckless rate of speed and a collision was averted by a fraction of an inch. Among the passengers in the touring car were two small children.

Dog Was Some Runner.

Sunday afternoon on Broadway a pup amused a number of pedestrians by the way he was chasing trolley cars and automobiles. The animal proved to be some runner, and for some little distance kept pace with a trolley car that was going at a lively clip. The pup took some chances on being run over and made some of the drivers of the trolley cars and automobiles rather nervous.

IRISH SOLDIER WRITES FROM FRANCE

Recovered From Poison Gas—Out of Hospital for Third Time—Thinks American Soldiers Are Fine Fellows.

The following letter from Thomas Blundon, a member of the Royal Irish Rifles has been received by Mr. and Mrs. Edward Perry of No. 14 First avenue. The writer of the letter does not mention that he has been three times in hospital since he entered the service, once with one of his heels shot off. The letter is written from France and is as follows:

October 27, 1917.
My Dear Aunt—Just a few lines in answer to your very dear and welcome letter which I received alright and also the parcel, which I am very thankful to get. I know you will be surprised to know that both went to Donabate to Aunt Lizzie as I was away in the hospital. So she sent them back to me. Well, dear aunt, I'm after having a bad time since I wrote to you last. I have been through a big battle, and had some one's prayer that I am alive today. I got a little poison gas and had to go to the hospital. I was away for two months. I am now back again but not with the same battalion. There were times when I thought that my time had come but thank God such is not the case. I am now on a very quiet part of the line getting on nicely. One of my poor chums is missing since the battle and I expect he is gone. I met him last July and we had a very nice evening.

I shall be only too pleased, if possible, to meet that friends of yours, but I think if you have his full address it would be better for you to send it to me as the American army is right behind us. I saw a lot of them and they are a fine lot of young fellows.

So now I think that I have got no more to say this time so I will say good-bye, with love to Uncle Edward and all my cousins and yourself. From your loving nephew,
TOMMY.

P. S.—I hope that my cousin will not have to leave where he is.

LAFOLLETTE PROBE FURTHER DELAYED

By Telegram to The Freeman.

Washington, Nov. 26.—The investigation into the alleged disloyalty of Senator Robert M. LaFollette of Wisconsin, was temporarily blocked at the eleventh hour today by the inability of William Jennings Bryan, former secretary of state, and several of the members of the probing committee, to be present. It is hoped to reopen the inquiry before the end of the week in time to make a report next Monday or Tuesday. The investigation committee may, however, be compelled to ask an extension of time to complete its work.

Mr. Bryan today wired Senator Pomeroy of Ohio, chairman of the committee, that he would be in Washington on December 2 and the committee decided not to require him to make a special trip to the capital before then. Senator Walsh, who is ill, and Senator Pail, who is detained at home on business, both expressed a desire to participate in the inquiry and on this account it was decided to postpone the reopening of the hearing until they could reach Washington.

The postponement was announced after practically all other arrangements had been completed for the hearing. Many persons were turned away from the committee room disappointed this morning.

Czar's Daughter Coming.

By Telegram to The Freeman.
Denver, Col., Nov. 26.—Mrs. Margaret Barry Carver, wife of Charles A. Carver, prominent American banker of Petrograd, left here today for San Francisco where it is believed she will meet Miss Tatiana Nikolaevna Romanoff, second daughter of Nicholas Romanoff, former czar of Russia, who is said to have escaped from Siberia and is on her way to this country. Mrs. Carver, a former Denver girl, refused to confirm or deny reports that she was to meet and escort the former grand duchess to New York where Tatiana will take up relief work with the Russian Civilian Relief Association.

Letters of Administration.

Letters of administration in the estate of James O. Carrington, late of Saugerties, was granted by Surrogate Gill today to John F. Carrington, a son of the deceased. The petitioner states that the deceased died without leaving a will, and that the heirs at law are the widow, Carrie T. Carrington, two sons, John F. and Albert J., a daughter, Cornelia, and the petitioner, Byron L. Davis, of Saugerties, is the attorney for the petitioner.

30 Cent Cotton.

By Telegram to The Freeman.
New York, Nov. 26.—Thirty cent cotton became a reality today when that figure was paid for December contracts. It was the highest price ever recorded on the New York Cotton Exchange for future contracts.

ITALIANS REPEL GERMANY'S BEST

Picked Troops Try in Vain to Break the Italian Lines, Which Still Hold Firm in the Face of Violent Assaults.

By Telegram to The Freeman.
Rome, Nov. 26.—Italy has met the picked "shock" troops of the German army and given them blow for blow.

For two weeks veteran Prussian Guardsmen and seasoned warriors from Bavaria and Wuertemberg regiments have tried in vain to break the Italian defenses between the Brenna and Piave valleys, and along the lower reaches of the Piave river, but dispatches from the front today said that the Teutons were held in check.

The Italians have been called upon to face such withering bombardments as were hitherto unknown on the Italian front, but despite their violence, the cannons failed to shake the nerve of the Italian soldiers.

At points where the Italian line seemed in danger counter attacks were driven home against the invaders and hard fighting has been taking place around Melette, a point of support on the Italian battle line in the north.

Advices from the Asiago Plateau front, dated Sunday morning, said that the German attempt to break through on that front had been brought to a standstill, but that there was a shifting of the German front and fighting was breaking out in new places. A change of offensive tactics against the Italians in that zone was evidently taking place.

Several Austro-German divisions have been annihilated in the fierce fighting on the Asiago Plateau. Dispatches from that front today dwell upon the severity of the Teutons' losses and the completeness of the check administered to the invaders by the Italians.

The weather in the mountains of the Asiago Plateau has become stormy, but in spite of rain, snow, fog and wind the struggle has continued with great violence. All efforts of the Germans, however, to break through and encircle the Italian wing have so far crumpled under the Italians' resistance.

Two German and Austro-Hungarian regiments, mistaking each others identity in the darkness, fought for hours, inflicting severe losses, before the error was discovered. Many hundreds of unburied bodies lie in the valleys and in the woods that flank the mountainsides.

WAR DEPARTMENT IN NEED OF CLERKS

Stenographers and typists, both men and women, are to be given a chance for national service in the field in which they are best trained and they are actually in great demand, according to latest advices. It is authoritatively said that in the Army Ordnance Department, alone, several hundred stenographers and typists are going to be employed before the first of the year in positions paying at the outset as high as \$1,100 per annum. The Gun Division of the Ordnance Department is vigorously inaugurating an extensive campaign throughout the south and east, not only for stenographers and typists, but for schedule, index and catalogue clerks and mechanical draftsmen, all for service at Washington. All appointments are to be made under the newly modified Civil Service tests. The Ordnance Department suggests that everyone who is qualified for any of these positions, who wishes to know Washington as the national capital, in "war time" and who sincerely desires to assist in the emergency, communicate with the Gun Division, Ordnance Department, Room 514, Hood Building, 1330 F Street, N. W., Washington, D. C.

Paddy Given Another Chance.

Patrick Burns, known among his many friends as Paddy, fell from grace Saturday night and was picked up by Officer Boyd helplessly drunk. After spending Sunday in jail Paddy was arraigned before Recorder Lang this morning. This was the first in some time that Paddy had appeared in court and as he had a regular job Recorder Lang decided it would be best for Paddy to return to work. He warned Paddy, however, that his next appearance would mean jail.

Home on a Furlough.

Grant Brinnier, who is doing his bit for Uncle Sam, was home Saturday on a short furlough. Mr. Brinnier, who is the son of Corporation Counsel William D. Brinnier, Sr., is in the Quartermaster's Department, Overseas Casual Camp, Fort Jay, Governor's Island. He expects to soon sail for France. A few days ago Mr. Brinnier was sworn in as a lawyer at Albany, and when he returns from the war he expects to open up a law office in Saugerties.

Shopping Was Brisk.

Local merchants state that shopping Saturday night was unusually heavy. In addition to the regular Saturday night shopping many persons bought Christmas tokens, remembering the slogan, "Do your Christmas shopping early."

SCHOOL CHILDREN MAKE COMFORT KITS

Milton, Nov. 26.—Comfort kits have recently been contributed by Miss Jessie Roe, Mrs. C. R. Taber, Mrs. Fred Vall, Sr., Mrs. Asa Hoag and the intermediate room of School District No. 1. This idea of having the children "help win the war" is a most admirable one and the teacher, Miss Mary McManus, deserves much praise for this alone not only gives comfort to a soldier, but is of great benefit to the children in many ways, and the idea can be copied by all school in our country. Each pupil wrote a letter and the one written by Rosamond Woolsey, was chosen by Sylvia Williams' was decided as the second best. This letter is as follows and is signed by all the pupils who contributed:

Milton Union School.
Milton, N. Y.
Nov. 13, 1917.

Dear Soldier:
We are helping to fill a comfort bag for you. Do you like the things that are in the comfort bag? Tell us some of the things you need, and perhaps we will be able to send something more to you. We hope you have a happy Thanksgiving. We wish you good luck.

Your friends,
Rosamond Woolsey, Sylvia Williams, Mary Pantusco, Ruth Rush, Catherine McDonald, David Conn, Rachel Franklin, Freda Martin, Loretta Donovan, Ruth Stickles, Thomas Garvin, Tony Visconti, Angelina Matrazzo, John Matrazzo, Louise McLannus, Elizabeth Kaley, Gadya Miller, Frances Garvey, Gertrude Neal, Arthur Connor, Jennie Pantusco, Edward Connor, Michael Pantusco, William Emist, Barbara McLannus.

This is one of the best kits that has been received by the committee.

WHO WANTS A SOLDIER AT DINNER?

There Are 42 Men Who Can Come Here for Thanksgiving Day—If You Want One, Call Mr. Dodge.

At the present time there are a number of state militia guarding the waterfront and adjacent land Harry P. Dodge, who has made an investigation, has found that forty-two of these men will be able to obtain a furlough Thanksgiving Day long enough to enjoy a Thanksgiving dinner in Kingston. It has been the custom in New York city and in the vicinity of army camps for citizens to invite soldiers to dinner with them in their homes. Mr. Dodge believes that this plan could be adopted in Kingston and any citizen who would like to entertain a soldier at Thanksgiving Day dinner is requested to communicate at once with Mr. Dodge at his home, No. 63 Green street, or by telephone. Mr. Dodge's call is 690-J.

Dancing Class Successful.

One of the most successful of Professor Clyde Van Steenburgh's dancing classes was held Thursday last in Pythian Hall. The attendance was one of the largest ever assembled on this popular floor and the young people made a most charming appearance reminding one of the old time subscription dances so popular to the younger set of Kingston. Mr. Van Steenburgh has secured a most select orchestra and it was with regrets that the dancers heard "Home Sweet Home" played as the final conclusion of one of the most picturesque of young people's gatherings. The weekly class will not be held next Thursday evening as it is Thanksgiving but will be resumed Thursday evening, December 6, and will continue throughout the season. Private instruction may be had from 6:30 to 7:30 and assembly from 7:30 until 12 every Thursday evening under the professor's personal direction.

Home on Furlough.

Elliot Rogers, a Kingston boy who is doing his bit in the navy, is home on a short furlough. Mr. Rogers has been over the sea on a U. S. ship and had some exciting experiences on the voyage, for the ship that Mr. Rogers was on was one of the ships that transported some American troops "over there." Joseph McKown, Kenneth Everett, and Henry Bode, all of this city, were on the same ship with Rogers.

At the Local Hospitals.

Charles Withel of Clayville is undergoing treatment at the Kingston City Hospital.

Miss Freida Sahler of High Falls, who underwent a recent operation at the Kingston City Hospital, has so far recovered that it is expected she will be able to return to her home Tuesday afternoon.

Mrs. A. Koch was conveyed from 17 Third avenue to the Benedictine Sanitarium in the city ambulance on Saturday.

Hearing is Postponed.

There was to have been a hearing today before John N. Duggan in the certiorari proceedings brought by the West Shore Railroad against this city to review the tax assessment against the road, but owing to the illness of the referee the hearing was postponed.

COMPANY L AT RIFLE PRACTICE

Co. L, 310th Inf., Camp Dix, Nov. 24.—It is awful cold down here and you would think it was going to snow every minute. The sun hasn't shone in over two days.

We were to rifle range several days this week and it is some hike. It is five miles each way and besides it is through a sand road. When we return we are about all in. One of our best shots so far is Corporal Gill. He made 10 bull's eyes out of 10 shots at 100 yards range.

A bunch of us went down to the Y. M. C. A. Auditorium and saw some vaudeville. They have some shows here. They are building a theatre down here just outside of camp. It looks as though it is going to be some place.

Lester Wolf and I were down to meet the boys that left Kingston Friday for camp and they were a happy bunch, too. They sure did question us in regards to camp life, and the main thing they wanted to find out was when they were going to eat.

They went to the Depot Brigade for now until they get their uniforms and then I believe they will be transferred to our barracks, which you all know is Company L.

I was in the Depot Brigade for a while and transferred back to my old home at Company L.

It is interesting down here at this time to see all the boys trying to get passes for Thanksgiving. I am going to try and get home for Thanksgiving, although they are going to have turkey here for dinner.

We do not get the papers regular at all. I had last Wednesday's papers brought over in the mail last night. I guess I will bring this to a close, with hopes of seeing you all Thanksgiving.

NETTER AND THOMAS IN AUTO ACCIDENT

Edmund R. Netter and Henry J. Thomas Have Narrow Escape When Auto Tips Over—In Kingston City Hospital.

Henry J. Thomas, the well-known barber at No. 262 Broadway, near South street, and Edmund R. Netter of No. 251 Broadway, are confined to the Kingston City Hospital from injuries received Sunday night when the Ford car in which they were riding tipped over on the Saugerties road about half a mile north of the city line. At the hospital this morning it was stated that Thomas had recovered consciousness at about 7:30 o'clock and apparently does not seem to be seriously injured, although his face is badly bruised and he is also bruised about the body, and unless something unforeseen turns up he is expected to recover. Netter also does not appear to be seriously injured, and may have a fractured wrist. It is expected that both men will recover.

Just how the accident happened of course is not known but in some manner the car tipped over with a crash. John Kruger, who lives near the scene, heard a crash and rushed out of his house and found Thomas lying on one side of the road and Netter pinned under the car.

With assistance the Ford was raised and Netter released and both men were hurried to the Kingston City Hospital in the auto of Charles Brooks of Saugerties. Both were unconscious when taken to the hospital being stunned when they hit the ground when the car turned over.

Thomas and Netter were the only two in the Ford, which is owned by Thomas.

BROKE HER LEG.

Mrs. Sweeney Fell From a Chair Last Week.

Mrs. Sweeney, 83 years old, is confined to her home on Maple street with a broken leg, sustained last week when she attempted to sit down on a chair in the dining room and fell to the floor. Dr. F. Keefe was summoned and set the leg and is attending her.

Big Loss Draft.

Perhaps the largest fire insurance loss draft ever paid to a single concern was handed by the Hartford Fire Insurance Company the other day to the Kansas City Live Stock Exchange, the amount being \$1,731,242.49, covering the loss of live stock at the big stock yards fire in Kansas City. The Pardee Insurance Agency represents this company in the city.

Meatless and Wheatless Days.

Many Kingston families are helping to conserve the meat and wheat supply by observing a wheatless and meatless day each week. Some of the local hotels are also observing the wheatless and meatless days, but to date there has been no concerted action in this matter upon the part of the hotel proprietors.

Old Harley Did Well.

Matthew T. E. DeWitt, who was collector for the Y. M. C. A. fund in Old Harley, turned over to the general committee at Kingston \$105.25, which is much in excess of the amount allotted to Harley.

CO M WOULD FOLLOW DITTUS

Every Hand Raised When Asked Who Wanted to Go With Him Into First Line Regiment.

Camp Wadsworth, Spartanburg, S. C., Nov. 22.—Lieut. Dittus received his orders today that he was to be transferred to the 108th Regiment. What company he is going with I do not know. He leaves us for his new assignment tomorrow. Just before the afternoon drill he announced that there were some vacancies in the company which he is going to and asked who wanted to go with him. Every hand was raised. They all wanted to go with him.

Dittus is a fine officer and very kind to his men. The boys are all sorry to have him go and you can bet we will all miss him.

Dittus will make good no matter where they put him and he takes with him the best wishes of all the boys of Company M for his success in his new assignment.

Last week some of us were surprised when we received checks for our drill money for six months' drill we did in the armory last winter. We still have six months more coming. We were all surprised to get even that much, as we thought we would never get any of it. This money was only paid to the old members who were in the company last winter.

No doubt you have heard some talk about diphtheria breaking out on one of the companies of the 105th Regiment. There were a few slight cases of sore throat in one of their companies and they were immediately put under quarantine, but I guess they didn't amount to much as the quarantine has now been lifted.

All the fellows of our company and regiment are in the best of health.

CHANGES MADE IN TIME TABLE

Some changes in time went into effect on the West Shore and New York Central Railroads, and the time table of the Transport ferry between Rondout and Rhinecliff was also changed to correspond.

For the benefit of Freeman readers the changes in time of the West Shore trains leaving Kingston are given. (This list does not include all trains, but simply those trains which leave at a different time than usual.)

Trains from Kingston for points south follow:

The first train leaves at 7:40 a. m.
The 7:40 p. m. has been changed to 7:18 p. m.
The 6 o'clock train now leaves at 6:05 p. m.
The 7:40 now leaves at 7:43 p. m.
For points north there have been three changes made as follows:

The 11:14 a. m. now leaves at 11:05.
The 8:55 now leaves at 8:59 p. m.
The 10:22 now leaves at 10:40 p. m.

Ferry Time Changes.

The change in the leaving time of the Transport from Rondout follows:

Morning—6:30, 7:40, 8:10, 10:30, 11:05, 11:50.
Afternoon—12:50, 1:30, 2:05, 2:20, 4:40, 5:25, 6:20.

Three U. S. Soldiers Dead.

By Telegram to The Freeman.

Washington, Nov. 26.—Deaths of three American soldiers in France were reported to the war department this afternoon by General Pershing. Corporal Horace Foulds, headquarters company infantry, died November 25, of nephritis. His mother, Harriet Foulds, lives at Newark, N. J. Bugler Marion F. Stoddard, infantry, died November 15 of an accidental bullet wound. Mrs. Georgia M. Stoddard, his mother, lives at Silver Springs, N. Y. Private Joseph L. Boyce, infantry, died November 11 of lobar pneumonia. His next of kin is Lawrence Boyce, Pittsford, Pa.

Drove in Front of Train.

By Telegram to The Freeman.
Rockford, Ill., Nov. 26.—Three men were instantly killed when they drove a garbage motor truck in front of the eastbound Omaha Express on the Illinois Central Railroad grade crossing at Perryville Station, five miles east of here. The three men were employed to haul garbage from the military camp to a farm some miles away. Their bodies were buried 100 feet from the tracks.

Sand Law Constitutional.

By Telegram to The Freeman.
Washington, Nov. 26.—The supreme court today held the Kansas law levying a tax of ten per cent on all sand taken from its riverbeds constitutional. The law had been held valid in Kansas courts.

Ordered to Newport.

Raymond Cole of Ulster Park, who volunteered for service in the navy some time ago, has been ordered to report at Newport, R. I. Mr. Cole will be assigned to duty as an electrician.

They Remembered the Boys.

The Ulster county men who left for Camp Dix on Friday were presented with a quantity of nuts by Barney Mann and a bushel basket of fruit by Ralph J. Jans.

WAR AT A GLANCE

Five United States army generals and one admiral of the American navy have just arrived here from Europe. One of the generals intimated his belief that this country is not absolutely safe from attack and that every effort should be made to give the coast cities the best possible protection. Most of the officers left for various destinations soon after their arrival.

German troops that tried to drive back the British west of Cambrai on western front, fought themselves to exhaustion and were unable to renew their counter-attacks last night. They retired leaving the British in possession of Bourlon Wood, which is on high ground dominating the German key position at Cambrai, and in partial possession of Bourlon village. On the West Flanders front at Passchendaele, violent cannonading has been resumed.

Enormous losses have been inflicted upon the Germans and Austro-Hungarians on the Italian front without breaking the Italian lines on the Piave river and the Asiago Plateau. The German encircling movement against the Italian left wing has been definitely checked between the Brenna and Piave valleys, according to all indications today.

Unimportant firing was reported on the eastern front.

BRITISH HOLD LINES AT CAMBRAI

By Telegram to The Freeman.
London, Nov. 26.—British troops in front of the German base of Cambrai have fought the Germans to a standstill and the Teutons were unable to deliver further counter attacks last night, the British war office announced today.

The British forces that fought their way into Bourlon village and the high ground of Bourlon Wood, dominating Cambrai on the west, held all their gains.

Artillery duelling in the sector of Passchendaele, on the West Flanders front, increased to great violence during the night.

(Bourlon village and Bourlon Wood lie about three miles west of Cambrai, between the Arras-Cambrai road and the Bapaume-Cambrai road. They constitute a part of the defenses of the Hindenburg line, in which the British tore a big hole last week.)

British and French troops are today hammering the German lines with telling blows over a wide area of the western front.

Where the Allied infantry is not assaulting, the artillery is pounding the German positions.

Following the beginning of the British drive against Cambrai last Tuesday, the supplemental successes of the British have swept the German lines so close to the German stronghold that the prediction was made today that this week will see the evacuation of the city by the Germans.

For five days the Teutons have been putting up a determined resistance in the Cambrai sector, but at every point where an attempt was made to stem the British onrush, the resistance was overcome by whirlwind attacks by Field Marshal Haig's men.

There was a violent struggle west of Cambrai throughout Sunday which left the British masters of strategic heights dominating the city.

North of Fontaine Notre Dame in the sectors of the village of Bourlon and Bourlon Forest the British attempted to cut through the German lines in a northeasterly direction to get in between Cambrai and Quant.

(Quant is the southern bastion defending the Quant-Drocourt Switch, the chief supports of the northern end of the Hindenburg line. Quant lies just west of the scene of Sunday's struggle.)

Furious hand-to-hand fighting took place among the ruins of the village of Bourlon and the caves and dugouts that lie beneath the debris. The Germans had built cunningly contrived fortifications to look like the ruins of houses and the British were taken unawares. The streets were swept by machine gun fire from these improvised block houses and it was largely due to them that the Germans were able to retain part of the village.

The French, who had been directing strong pressure against Lecon, the chief bastion on the southern end of the Hindenburg line, suddenly switched their attacks and drove forward on the Verdun front for an important gain.

The gust of fighting on the right bank of the Meuse followed a big artillery duel which had been raging there for many days. The French made their main assault in the district of Samogneux (near which point the German crown prince launched his big Verdun drive in February, 1916), and quickly overran two lines of trenches, capturing nearly 1,000 prisoners.

Police Officers Ill.

Officers Murphy and Schott, of the local police department, are confined to their homes by illness.

CHAIN LETTERS NOT SENT BY RED CROSS

The National Headquarters of the Red Cross has called the attention of the Ulster County Chapter, and through the chapter of this entire community, to the fact that chain letters sent out in the name of the Red Cross are now in circulation. Many copies have been forwarded to national headquarters. The American Red Cross again positively states that no chain letter project has its approval. While some of these schemes may have been started in good faith, mention of the Red Cross is not warranted. Red Cross members and the public in general are warned that there is no assurance that donations in response to any chain letters will reach the Red Cross treasury and they are urged to pay no attention to such appeals, the sincerity of which is open to doubt. There is just one way in which to aid the Red Cross, and that is through the direct channel of the chapters.

Becomes Red Cross Military Hospital No. 2.

Since the outbreak of the European war, Dr. Joseph A. Blake has been engaged in hospital work in France at what has become known as "Dr. Blake's Hospital." This hospital has become famous for the surgical results achieved. It is now to have the financial support of the American Red Cross, through an agreement entered into by Dr. Blake, the Committee of the Hospital, the Service de Sante, the United States Army and the War Council of the Red Cross. Under this new arrangement the hospital will be used primarily for the care of Americans, 100 beds being retained for the use of French soldiers so long as they are not needed by Americans. It will also be open for the sick and wounded Red Cross personnel.

Some Big Civilian Relief Work.

That the Red Cross in time of war does not forget its duty in doing civilian relief work as in times of peace, has been shown by the way in which assistance has been and is being given to the flood sufferers of China. The recent Tien-Tsin flood which swept over 12,000 square miles of territory, made one million persons homeless and wiped out crops and other property has occasioned a financial loss estimated at approximately \$100,000,000. Immediately upon receipt of the first cablegram from American Minister Reisch in Peking, telling of the disaster and the inability of the Chinese government to cope with the situation, the American Red Cross, through properly authorized channels authorized Minister Reisch to draw for \$50,000 through the state department. This was used to begin the relief work. A little later, Roger Green, of the China medical commission of the Rockefeller foundation, specially designated as the executive of the Red Cross there, recommended the authorization of another appropriation from the same source of \$75,000 more. This money will be used for the request was granted to meet half the labor cost of employing 20,000 Chinese laborers, amounting 50,000 people, on road building for four months. The other half of the labor cost, together with all expenses for machinery and engi-

neering will be borne by the Chinese government.

Belgian Orphans Wards of Red Cross

"Twenty miles from Limoges in the southern center of France, on a hill outside of a little town called Troche, stands the famous monastery of La Grande Chartreuse, unoccupied at present. In the wonderful climate there roses bloom the year around. There is plenty of fresh running water. The buildings, strongly built, including all kinds of construction adapted for more than a thousand people, is superbly situated. Permission has been given to use this place as a home for the Belgian children, orphans of this sacrificed country. It was rented from the government by the Red Cross, which supplies the funds for the work, the personnel and management being provided by the Belgian committee. The Red Cross is, in this way, assisting the Queen of Belgium in the care of the thousands of under-nourished, sick, orphan children which are in Belgium today. Moreover the return is reported of the first liberated orphan prisoners in Belgium. The report further states: "On October 15 the first 500 little Belgian boys and girls between 4 and 13 years of age, arrived after their long trip through Germany, and a week later, 500 more. They were gathered together by the Committee de Secours National de Belgique. In this wonderful old monastery the Red Cross hopes to bring back to life and vigor these children, in whom lies the hope of Belgium."

WEST PARK.

West Park, Nov. 26.—Miss Edith Hasbrouck underwent an operation at her home here last Tuesday morning. The operation was performed by Drs. Norwood of Kingston and Ross of Port Ewen. At this writing Miss Hasbrouck is getting along as well as can be expected. Her many friends here hope for her speedy recovery.

Herbert Gindrat of Waterbury, Conn., spent the week end with his mother, Mrs. Caroline D. Gindrat. Murley Green and Noah Travis have returned from a trip at Connecticut.

Joe Vasta left for Camp Dix, N. J., on Friday morning. Martin Von Etens spent the week end at New York city. Mr. and Mrs. Pierre Travis entertained company from Kingston on Thursday. Mrs. Noah Palmatier has returned to her home at "Black Creek," after visiting her sister, Mrs. Frank Green. The Rev. and Mrs. R. C. Searing have returned from a visit at New York city.

OLIVERIA.

Oliveria, Nov. 26.—John W. Barnum has gone to Brooklyn for the winter. The chicken supper given under the auspices of the Ladies' Aid Society of the Methodist Episcopal Church at the Jocelyn House Friday evening, netted about forty-five dollars. This sum will be applied on the pastor's salary.

The item which appeared in a recent issue of The Freeman stating that it was rumored that Mr. and Mrs. Jerome Aley of this place had purchased property in Kingston should be corrected. The property was purchased by Mr. Aley individually.

Superintendent of Schools Robert attended the meeting of the board of education at Woodstock Thursday night.

Samuel Nager is in New York for a few days.

SAMSONVILLE.

Samsonville, Nov. 26.—An entertainment will be given in the hall Tuesday evening, November 27. A box party will be held after the entertainment. All the girls are requested to bring lunch for two. Cocoa and coffee will be served with the lunches. Candy and other sweets will be on sale.

Master Arthur Haver has been spending a few days with his aunt, Mrs. W. G. Moore.

Our soldier boy Guv Barringer, who is at Camp Dix, visited his parents Sunday, November 18.

Mrs. W. G. Moore and Mrs. J. H. Beaver made a business trip to Kerhonkson Friday last.

The Sugar Situation.

Although there is no real sugar famine in Kingston, there is not an over abundance of the supply of sugar. On Friday three of the local stores had no sugar in stock, but expected to have some the first of next week. Two pounds to a customer is the maximum quantity that most of the dealers are selling at one time. The stunt that one or two local dealers are working, of selling sugar only when two dollars' worth of other food commodities are bought is not being received very favorably and is contrary to the rules of the U. S. Food Commission.

Optimistic Thought.

An amiable disposition is a good letter of introduction.

Oil From Palm Trees.

It is proposed to start a new industry in British Honduras for the production of oil from the cohune palm, which grows prolifically in that country.

Maneuvering of Wings.

Riches make to themselves wings and fly away. So sometimes does love. So sometimes does wisdom. How would it do to take all possible precaution by clipping the wings?—Exchange.

Kitchen Tactics.

There is a woman, poor but proud, who goes into the kitchen every morning and pounds a folded towel with a rolling pin just to make the neighbors believe that she has beefsteak for breakfast.

Carbolic Acid.

The use of carbolic acid as a disinfectant should be discouraged, but when it is used it must be borne in mind that to be efficacious it must be diluted in about twenty times its bulk of cold water.

Boss of Everything.

"But," exclaimed the man of delicate sensibilities, "will your conscience permit you to do as you suggest?" "Look here, friend," answered the politician, "I am accustomed to be boss, even of my own conscience."

WILTWYCK TRUCK IN COMMISSION

Newly Motorized Apparatus is Up-to-Date And Was Built at a Substantial Saving—Cornell's Wagon to be Motorized. Next — Wiltwyck's Horses to be Sold.

Soon the picturesque sight of the gallant fire horses galloping through the streets of Kingston will be but a memory, and instead will be heard the chug of the motor apparatus. The newly motorized apparatus of Wiltwyck Hose Company went into commission this afternoon. Although the apparatus looks to be new all of the way through, it is not. The equipment from one of the old hose and chemical wagons was taken off and installed on a Koehler chassis, making an up-to-date and efficient piece of apparatus at a saving of at least \$1,000, compared to what an entirely new motor apparatus would cost. The brass railings, chemical tanks, and other equipment from the old wagon were used.

The apparatus carries 1,000 feet of hose, a 25 gallon chemical tank and two 3-gallon tanks and other standard equipment. The car is painted the standard fire department red.

Another feature of the apparatus is what is known as a torrent pipe. The nozzle of the pipe is fastened on the truck and holds itself, and can be swung around at different angles; working on the same principle as the water towers used in the fire departments of the large cities.

The car can make a speed of 35 miles an hour.

Horses to be Sold.

Dick and Jim, the faithful fire horses, will be sold. These horses will be missed, and the members of the company say that to lose these faithful animals will seem almost like parting with old friends.

Drivers of the Car.

John Hoffman, the regular driver of the company, will drive the car. Several other members of the company are also capable of driving the car, should the necessity arise.

All of the work on the car except the painting was done by John Kinrade, the Harley avenue blacksmith and wagon maker. It was painted by John Gellner.

Truck for Cornell Company.

The apparatus of Cornell Hose Company will be motorized next in practically the same manner as the apparatus of the Wiltwyck Company was.

Child Fatally Burned.

Catherine, the young daughter of Mr. and Mrs. Christopher Regendahl of Minneapolis, Minn., was fatally burned last week. The body will be brought to this city for interment. The parents are former residents of Kingston. Mr. Regendahl is a brother of Frank Regendahl.

ST. JOHN'S WILL HELP THE NEEDY

On Wednesday afternoon of this week the women of the Woman's Auxiliary of St. John's Church, this city, will pack, for shipment, their box of clothing to be sent at once to Charlottesville, Virginia, to the Mission there which includes a school and all sorts of social service as well as religious efforts. It is requested that any persons having good clothing, either new, or if somewhat worn clean and in repair, which they wish to send in this box, take the same to St. John's Parish House on Wednesday afternoon between the hours of 3 and 6 o'clock. Clothing for men and women and children will be welcomed.

The beautiful custom inaugurated last year, at this church of decorating the altar and chancel of the Church, on Thanksgiving day, with all sorts of food supplies, vegetables, fruits and staple articles, will be observed again this year, and as formerly, following the service these supplies will be distributed by the Rector, the Rev. J. I. Blair Larned, and the Boy Scouts. They will be given wherever there is a family in need of such help, regardless of whether or not they are connected with St. John's Church. Mr. Larned having been in conference with Mrs. Gillespie of the Sunshine Society and others interested in the needy ones in the community. All who will give to this beautiful and helpful manner of observing Thanksgiving are asked to have their supplies at the church on Wednesday afternoon.

On Friday morning of this week, at 10:30 o'clock St. Andrew's Day will be observed by a celebration of the Holy Communion. At this time the members of the Woman's Auxiliary will make their corporate communion.

On Wednesday evening of this week, there will be a special meeting of the vestry of the church, held in the parish house.

On Friday evening, December 7th, the men of the parish will enjoy an informal dinner at the parish house, at which time they will consider the past year's progress and will also formulate plans for the future. Doubtless there will be a special speaker for this event.

PORT EWEN.

Port Ewen, Nov. 26.—Port Ewen Lodge, No. 656, I. O. O. F., will meet this evening at 7:30 o'clock in its rooms in Pythian Hall.

Toast to Woman.

Woman is like the reed which bends to every breeze, but breaks not in the tempest.—Archbishop Whately.

Mrs. Eliza George entertained the ladies of the W. C. T. U. for dinner Saturday. They passed the time knitting and cutting bits for fracture pillows for the soldiers. The monthly business meeting was held in the afternoon.

Mrs. O. A. Todd, accompanied by her daughter, Irene, went to New York Monday to help select Christmas goods for the annual tree given by Mrs. George J. Gould to the people in this place.

Reduces Ice Bill.

Mix equal parts of cement and sifted sand with water, stiff enough to spread so you have a smooth surface, and have it one-third of an inch thick, or thicker if you wish. Let stand a few days to dry out. You have a good ice chest. Keeps your ice longer and saves quite a bill.

LOCAL DRUM CORPS AWARDED TROPHIES

At the convention of the New England Fife, Drum and Bugle Corps Association, held Saturday at Bridgeport, Conn., the Bailey Fife and Drum Corps of this city was awarded two trophies, one for being the corps in line coming the longest distance, and the other trophy for being the best appearing. In their handsome uniforms of blue and gold the local boys made a fine appearance. The trip to Bridgeport and return was made by motor.

BLOOMINGTON.

Bloomington, Nov. 26.—Mr. and Mrs. Ira D. Bush are having quite some improvements made to their place. They have had their back porch on their house enclosed and now they are having a wagon house built, joining the barn, which will give them a great deal more room. Lewis Terhune is doing the work.

Mrs. Charles Neighbor and son of Walden came on Friday to spend the week end with their cousins, Mrs. Williams and family.

We are sorry to lose another family from our midst for the winter. Mr. and Mrs. Peter A. Black and wife John Osterlander, as they have come to Kingston, at the Eagle Hotel, for the winter and we wish them all the luck they can have and hope Mrs. Black will come back to her home in the spring much better than she is at the present time.

Lewis Terhune spent the past Sunday with his daughter and her husband, Mr. and Mrs. John Caster, of Poughkeepsie.

The Rev. Mr. Pothemus of Port

Even has been filling the pulpit for the past two Sundays, as our pastor, the Rev. A. A. Zabriskie, has been quite miserable with a large carbuncle on his neck, and he is not very well as yet. Dr. L. C. Rymph is the attending physician.

Mr. and Mrs. Charles Rickard and Mrs. Abe Weaver and Mrs. Thomas McGlarklyn and Edward Wood, all of Kingston, enjoyed the party and supper at the church on Wednesday evening of last week.

Jerome Mack of Creek Locks has gone to Pennsylvania and has secured a position there, and sorry to say, his family is packing up and will leave this week. The church and all the societies connected with the church will greatly miss Mr. and Mrs. Mack and family, as they were always willing to lend a helping hand to their friends and neighbors at any time or in any way. We all wish them success in their undertaking.

We are all glad to know that the bell is at the Whiteport station and we hope that we will soon be able to hear it ring once more in the old Bloomingdale Reformed Church.

Those who came out from Kingston on Wednesday evening for the supper were the happy crowd of eighteen and are as follows: Mr. and Mrs. Ira Woolsey, Mr. and Mrs. Leroy Longendyke, Mr. and Mrs. Henry Cornelius, Mr. and Mrs. Luther Garrison, Mr. and Mrs. William Riel, Mr. and Mrs. Ary Bush, Ira Britt and Charles Craig, Raymond Zimmerman, Miss Bessie Wesley, Miss Nellie Van Steenbergh, Miss Alberta Craig.

The supper and entertainment, which was held last Wednesday evening by the Ladies' Aid Society was largely attended and enjoyed by all present. The amount cleared when aid is paid in will be \$40. The Ladies' Aid wishes to thank all of those who came out or helped in any way in making it a success.

ESOPUS.

Esopus, Nov. 26.—Miss Hazel Mott went to Red Hook on Friday for a visit with her friend, Miss Lucetta Fraleigh.

Mr. and Mrs. George Coutant of Highland were guests of Mrs. Edward Ashton on Sunday, November 18.

The threshing machine and men employed by Granville Van Buren of Kingston came to Esopus last week and threshed rye and oats for Charles C. Beaver, Raymond Smith, Mrs. Schryver and buckwheat for John House and others.

Alfred Roberg, who for some time resided in this village, was married on Saturday evening, November 17, to Miss Frances Temple of Poughkeepsie. The wedding took place at the home of the bride, No. 29 Tulip

street. The ceremony was performed by the Rev. G. H. Cheesbro, pastor of Hedding Methodist Church, Poughkeepsie.

During the past week a new chimney has been erected on the north side of the Methodist church in this village and it is now expected that all trouble from gas and smoke from the furnace will be at an end. The Rev. J. J. Lyons solicited funds to pay for the materials and labor and certainly every one who attended services in the church when the gas and smoke were so abundant ought to be delighted to contribute something toward paying the bills. Thomas Kennedy of West Esopus, assisted by Jacob Fuchs of this village, did the work.

Percy M. Mott was a guest at a banquet given the agents of the Graham Motor Truck Co. at the Kalkreuth Hotel, New York city, on Wednesday evening of last week. After the banquet the guests were taken to the theater and all enjoyed the affair immensely.

Mr. and Mrs. Charles Lits of New Paltz, with another couple, whose names the writer did not learn, attended the M. E. church fair on Wednesday evening of last week.

Martin Roberg of West Esopus attended the wedding of his brother, Alfred, at Poughkeepsie Saturday evening, November 17.

Mr. and Mrs. John L. Schultz visited Mr. Schultz's daughter, Mrs. Deyo, at St. Remy, on Sunday, November 18. Mrs. Deyo is still quite ill, but was fairly comfortable at the time of their visit.

Mr. and Mrs. Frank Cole and daughter, Elizabeth, spent last Sunday at the home of Mr. Cole's parents, Mr. and Mrs. Augustus Cole, of Union Center.

S. E. Mott received a letter from Theodore Traver of Isle of Pines, West Indies, on Tuesday last. Mr. and Mrs. Traver are well, which news will be welcomed by their former friends and neighbors in this place and all hope that never again will they be visited by fire, flood or cyclone.

In the "bond" bread contest of November 10, at which time \$1,000 was offered in prizes for the best one hundred and twenty one loaves of bread, Mrs. Calvin Cole, of this village, received a check for \$5 for one of the prize loaves. The bread was sent to Fleischmann's Bakeries in New York city and were judged by a committee headed by Miss Claribel Nye, bread specialist of Cornell University. The prize bread was selected by general appearance, volume, texture, color (inside), bake and flavor. Six thousand loaves were sent in and after the best 121 were decided upon the six thousand were sent to charitable organizations. In addition to the prizes offered each

participant received two loaves of bread.

Miss Helen Cole and friend, Miss Ruth Anderson, came to Esopus on Wednesday evening to be present at the church fair.

STONE RIDGE.

Stone Ridge, Nov. 26.—There is to be a hard time social and clam chowder supper in the Methodist parsonage on Tuesday evening, December the fourth. The chowder will be fifteen cents. Sandwiches, cake and coffee will also be served for fifteen cents.

The funeral of Fred Hale, formerly of Atwood, was held in the Methodist Church on Tuesday last.

John Ballard, who has been seriously ill, is now improving.

Progressive euchre in the Grange Hall Thanksgiving night. Admission 25 cents. Proceeds for the Red Cross Society. Games called at 8:30. Other games for those not playing euchre.

C. E. fair and prize speaking contest Wednesday evening, Dec. 12. The following is the corrected list of the contestants that have notified Mrs. C. N. Stevens that they intend taking part: Mabel Dudley, Elizabeth Elmendorf, Dorothy Stevens, Cornelius Barley, Percy Sparling, Martin Mum. Don't forget that you have until Dec. 1st to decide to take part. The judges are Miss Margaret Bevier of Marletown, Dr. George Nash of Hurley and J. M. Schoonmaker of Accord. The admission to those not taking part is 10 cents.

The receipt of the donation held in the Reformed Church was about \$90.

Mrs. Asa Dudley has returned home from visiting her father at Easton, Pa. Mr. Ballard has been very ill with pneumonia.

Mr. and Mrs. Isaac Hornbeck are spending a few days with Mr. and Mrs. Ray Wood.

C. E. Sewing Circle at Miss K. J. Canline's on Tuesday afternoon. Red Cross meeting in the Grange Hall on Friday afternoon.

Next basketball game Friday evening, Dec. 8.

Reception at Rosendale.

There will be a reception and entertainment at St. Peter's Hall, Rosendale, on Thanksgiving eve. Local talent as well as professional talent from New York city will take part. The entertainment will begin at 8:15 and the reception at 11 o'clock. This is Father Higgins's first reception.

FINANCIAL AND COMMERCIAL

By Telegraph to The Freeman.

New York, Nov. 26.—Stocks were in good demand at the opening of the stock market today, prices during the initial trading showing gains of from fractions to over one point. The tobacco stocks continued their upward movement, Tobacco Products selling up 1 1/4 to 52 3/4, while United Cigar Stores advanced 1 1/4 to 92. Steel Common ranged from 97 1/2 to 97 3/4, at the opening, compared with 96 3/4 at the close Saturday. Bethlehem Steel B sold up one point to 82, and Republic advanced 7 1/2 to 74 1/4. Marine Pfd. advanced 1 1/4 to 97 1/4, and the Common rose 3/4 to 26 1/4. International Paper moved up 1 1/2 to 25, and American Can advanced one point to 37 1/2. General Electric declined 2 1/4 to 127 1/2. Liberty 3 1/2's sold at from 98.90 to 98.92, and the 4's were traded in from 97.92 to 97.98.

Price movements were mixed after the first fifteen minutes with a number of issues showing heavy losses after sustaining moderate losses, while others were in brisk demand. Marine Preferred sold at 39 1/4, a gain of 3/4 and Delaware and Hudson made a brisk advance of two points to 37 1/2. American Can rose one point to 37 1/2, with a reaction to 36 3/4, and International Paper reflected inside accumulation, advancing 1 1/2 to 25 3/4. General Electric was the weakest stock on the floor, falling 2 1/4 to 127 1/2. Northern Pacific declined from 87 1/2 to 85 1/2, and Union Pacific after selling at 116 1/2, dropped to 115 1/2. General Motors sold off from 92 1/2 to 90 1/2. Money loaning at 3 1/2 per cent.

In the afternoon the market was influenced by reports that were unconfirmed that English forces had captured Cambrai. These reports caused urgent buying U. S. Steel moved up to 99 1/4, an upturn of 2 1/2. Marine Preferred sold up over 2 points to 39 1/4, and leading 1 1/2 to 72 3/4. General Electric moved up two points to 128 1/4.

The market closed steady today; government bonds unchanged; railway and other bonds firm.

Ancient Mirrors. The mirrors of antiquity were principally of bronze, highly polished and about the size of an ordinary hand mirror. They were usually provided with a handle and sometimes were mounted on a stand. The principal feature of these ancient mirrors was the design incised on the back. They belonged to the period about 400 to 500 B. C. During the middle ages, from the twelfth to the end of the fifteenth century, plecter mirrors or small hand mirrors carried at the girdle were considered a necessary part of a lady's toilet.

SCHOOL ATTENDANCE
IS BELOW NORMAL

It is expected that with the open-
ing of the four rooms in the old part
of School No. 5, that the school regis-
tration in this city will be about
normal, and possibly a little above
normal.

The school registration here has
been lower this year than usual.
The fire at school No. 5 was one of
the factors responsible for the lower
registration.

In many families the older brother
of the pupils have been called to do
their bit for Uncle Sam, and some of
the younger members of these fam-
ilies have secured work of various
kinds to help out the family income.

Superintendent Michael stated
a large number of school records
have been issued this year. These
school records are the preliminary
papers taken out before the working
papers.

The October report showed that
the registration at the high school
was 650. This figure is about 100
below the normal figure. The regis-
tration at the other public schools is
slightly below normal.

The four rooms in the old part of
School No. 5 will probably be ready
for occupancy about Monday, Decem-
ber 3. The double school session
plan will be tried out. Eight teach-
ers will be in charge.

That Community Chorus.

Although but little has been heard
here lately regarding the plan to or-
ganize a community chorus in this
city, the idea has not been dropped,
and it is expected that these plans
will materialize in the near future.

Some little time ago an effort was
made to get the board of education
to donate the use of the high school
auditorium on one evening a week
for rehearsals for the members of
the community chorus. The board
took the position that the auditorium
ought not to be used for anything
but educational purposes, and when
the matter was put to vote by the
board it decided to permit the use of
the auditorium for the rehearsals
providing that the auditorium was
paid for at the regular rate. One of
the men who is interested in or-
ganizing the community chorus
stated today that he thought that
another place would be found for
rehearsing and that the chorus would
soon be formed.

POUGHKEEPSIE, O
KINGSTON H. S. O

The football game between Kings-
ton and Poughkeepsie high schools
Saturday afternoon ended after a
stormy time, in a score of 0-0.

Shortly after 2:30 the whistle
sounded and the game began.
Poughkeepsie received the kick-off so
far towards Kingston's goal that it
was plainly evident that unless she
made some extremely brilliant plays
that she would not score during the
first half. It was then only a few
minutes before, through a fumble on
the part of one of Poughkeepsie's
men, that Kingston got the ball,
which, however she lost on the sec-
ond down. Much to the surprise of
Kingston "rooters" and much to the
amusement of Poughkeepsie's "root-
ers" the Poughkeepsie team carried
the ball in the next few downs with-
in one yard of Kingston's goal, but
she fumbled the ball and Johnson
saved the day with a punt. Then
Poughkeepsie was penalized and this
again carried her much farther from
Kingston's goal. About this time,
Elshop, Kingston's plucky little cen-
ter, received a blow on the head that
knocked him out, but undaunted,
when he revived, he went back in the
game. From this time on until the
end of the half the ball was con-
tinually changing hands. The half
ended with a score 0-0.

The whistle sounded for the sec-
ond half, and Kingston received the
kick-off. Johnson got the ball and
carried it well down the field, but on
the second down lost it through his
punt to Poughkeepsie. It was only
the matter of a minute or so, how-
ever, when Kingston again got the
ball through a fumble on the part of
one of Poughkeepsie's men. This
time Kingston kept the ball for down
after down. She had over three
fourths of the field to cover, when of
a sudden Gross got the ball and went
straight through the hole in Pough-
keepsie's line prepared for him by
our line. He made a gain of over
twenty yards, the most spectacular
play of the day. Then Johnson and
Deeres, in two more downs, car-
ried the ball enough more yards to
make a gain in the three downs of
nearly fifty yards. A fight started
between a Kingston and Poughkeepsie
man, Lehner interfered. The
Poughkeepsie umpire reprimanded
him and he started off the field, but
when he was yet only a little distance
from the team he turned around to
look back at the boys, and a Pough-
keepsie boy stepped up behind him
and struck him in the neck. It
seemed almost as a signal. Lehner
turned to defend himself, and both
teams with fists doubled up started
for each other. Bedlam reigned.

The Kingston and Poughkeepsie
rooters quickly ran out on the field
to take part in what seemed a free-
for-all fight, but thanks to the aid
of Poughkeepsie's police, the crowd
was dispersed and the two teams
with their umpires were left on the
field.

After a somewhat prolonged dis-
pute, in which Principal Lewis and
the Poughkeepsie coach acted as
mediators, the game was continued.
Lehner, Kingston's star tackle, and
MacDonald, the Poughkeepsie man
who started the fight, having been
ordered from the field, Cassidy took
Lehner's place. For a while a vic-
tory for Kingston seemed very im-
minent, but of a sudden when the
boys got up from one of the downs
Johnson lay still with a wrenched
leg. Kingston's hopes were banished.
Her star had fallen. Poughkeepsie
carried the ball within sixteen yards
of Kingston's goal when the Pough-
keepsie's full back made what seemed
to almost everyone except the Pough-
keepsie umpire an incomplete pass.
The Poughkeepsie umpire ruled it a
foul on the part of the Kingston boy
and would have penalized Kingston
fifteen yards. All day he had been
rubbing Kingston the wrong way.
This was the last straw. Wheeler
would not give in to him simply be-
cause Wheeler was in the right, and
Wheeler knew it, as did almost every
one except those who were too loyal
to Poughkeepsie to suspect, and
these only had their doubts. Wheel-
er led Kingston's boys from the field,
their character, their honor, their
names raised to the highest pinnacle
of football character and honor.
Their playing had not been of the
spectacular type. It had been clean
and hard. Their gains had been
made by the back field, through
Poughkeepsie's line made open by
Kingston's line.

The Kingston citizens have a right
to be proud of the high school team.
There is an insufficient number of
adjectives of the uplifting type in the
English language to describe the
spirit they showed throughout the
day. There is an insufficient number
of adverbs of the uplifting type to
describe their playing. It might be
said that they played as true Ameri-
cans.

The game over, the Kingston
"rooters" not the team, were enter-
tained in the gymnasium of the
Poughkeepsie High School. They
dined till it was time for them to
leave for their train, and left more
sorry than their words could express
that things had happened as they
did.

The line-ups were as follows:

Tombstone for Pavement.
An ancestor of the duke of Norfolk
who was banished by King Richard
II., and died and was buried in Italy,
Thomas Blowbury, got from Shake-
spere one of the finest epitaphs in
literature and thus became a person-
age of great interest to his descend-
ants," observes a writer in London
Tit-Bits. Two and a half centuries
later the exile's bones were claimed
by his family from the authorities of
Venice, and brought to England, but
the tombstone was left behind, and
only a few years ago was discovered
doing duty as a paving stone!
